MERIT SHOP CONSTRUCTION AWARDS

AWARD OF EXCELLENCE IN

CONSTRUCTION

ENTRY FORM

2015 Merit Shop Construction Entry Requirements

Associated Builders and Contractors of Indiana/Kentucky wishes to recognize the outstanding projects built by our members during 2014-2015 by our Merit Shop Contractors. Such recognition builds a greater awareness in our local communities of the quality of work produced by Merit shop contractors and their employees. Furthermore, it represents the quality of the companies represented by Associated Builders and Contractors of Indiana/Kentucky.

The Award of Excellence in Construction honors the skill and creativity of the entire team – contractor, owner, architect, and engineer – responsible for an outstanding merit shop construction project. The award recipients excel in innovation, quality, communication, and safety.

All submissions will be presented to a panel of judges that represent a cross-section of the construction industry. Members of the judges panel will evaluate all entries and will decide the award winners. Judges will NOT be members of Associated Builders and Contractors of Indiana/Kentucky. Awards of Excellence (first place) and Awards of Honor (second place) will be determined by the judges. Judging will take place the week of July 20, 2015.

Winners will be notified by mail on Monday, August 3rd.

All award winners will be recognized at a gala presentation held at the Indiana Roof Ballroom in Indianapolis on Thursday, September 24, 2015. The gala will include a cocktail reception, buffet dinner, and awards ceremony. The awards ceremony will feature a media presentation of winning projects and a formal presentation of awards for the contractor, owner, and architect (or engineer). Contractors may purchase additional awards through Associated Builders and Contractors of Indiana/Kentucky. Winners will also be included in media publications throughout Indiana and Kentucky.
