

## **Patriot Welcomes New Certified Industrial Hygienist (CIH)**

Patriot Engineering and Environmental, Inc. (**Patriot**), a full-service geotechnical engineering, environmental consulting, and materials testing firm with eleven (11) offices located throughout the Midwest and Southeast, welcomes **Mr. Jason E. Whittymore, CIH**, Senior Industrial Hygienist, to its highly trained and efficient technical staff.

Mr. Whittymore brings nearly 20 years of experience providing health and safety expertise in the areas of OSHA standards program development and training, site evaluations/auditing, exposure assessments for chemical, physical and biological hazards, and indoor air quality (IAQ) evaluations. Mr. Whittymore's emphasis has been providing manufacturing clients with quality services aimed at advancing the protection of their employees' health and safety.

Mr. Whittymore is certified in the comprehensive practice of industrial hygiene by the American Board of Industrial Hygiene (ABIH). He is active in several professional organizations, including industrial hygiene associations on the local and national levels. He has provided numerous technical presentations to clients and the legal community.

Please feel free to contact Mr. Whittymore regarding any of your health and safety service needs at (p) 317-576-8058 or (c) 317-605-1675.
